First Day of Website for Senior Portfolio

Step 1

Go to my website and find the "senior portfolio" tab

Step 2

If you don't already have a separate gmail account from the school, you will need to create one

Step 3

Choose which format you will use to create your website (Weebly or Google)

Step 4

Create your website

Step 5

Create the following tabs:
- Biography
- Career Documents
- Action Plan
- Pride Sample
- Class Assignments
- Letters of Recommendation
- Personal Statement

Step 6

Move your Personal statement to your "Personal Statement" page

*At the bottom of the Senior Portfolio page on my website, it explains how to put a document on to your Weebly website.
